*Enquiry No.* 15107.

*Local Indent No.* 16821.

*Sub.*—Your quotation for the supply of Clocks and Timepieces for the Mysore Government Departments during the period ending with the 30th November 1957.

Gentlemen,

**No. S.P.C. 62616-17.** I write to request you to be so good as to enter an order for the material described in the following schedule, at the price specified therein and arrange to make supplies on indents from such of the Departmental Officers as may require the materials and in such quantities as may be required by them from time to time, all indents being complied with within a fortnight from the date of receipt of indents.

This contract will be in force from 10th December 1956 to 30th November 1957 and the materials will have to be supplied throughout the said period the price accepted herein and no enhancement of the said price for whatsoever, reasons can be granted.

Please note that the materials to be supplied should strictly conform to the specifications given in the schedule, failing which they will be rejected. All rejected supplies should be replaced by correct materials within a week from the date of rejection.

Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying materials, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

1. Cancellation of the indent or order in part or in whole.
2. Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the Presidents of the Stores Purchase Committee.
3. Forfeiture or adjustment of Earnest Money or/ and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee, and
4. Recovery of extra cost, if any, incurred by the departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

Whatever may be the conditions of sale specified or indicated in the tender quotations it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule of orders reach him and get the same accepted or clarified.

The bills of cost shouldbe sent in duplicate to the indenting officers who will arrange payment.

The Clocks and Time-pieces to be supplied to the Director of Public Instruction in Mysore, should be inscribed with the letters "D.P.I." without any extra cost.

You are requested to execute an agreement on a Mysore Government Stamp Paper of Rs. 1-8-0 binding yourself to execute the contract satisfactorily and also deposit Rs. 200 (Rupees two hundred only) as a security. A draft agreement form is enclosed herewith for the purpose.

The above local indent number should be quoted in all correspondence relating to this order.

Please acknowledge receipt of this order and confirm.

| Vateria indica ... | ... 2 | ... 98 |
| Swietenia mahogani ... | ... 3 | ... 35 |
| Top ends of the above | ... 1 cart load. | |

1. The sale will be subject to confirmation by the District Forest Officer, South Kanara or the Conservator of Forests, Coorg Circle, as the case may be, who may accept or reject any bid without assigning any reasons therefor and there shall be no appeal against such action.

2. Each intending bidder must deposit in cash in hundred-rupee currency a sum of Rs. 100 as Earnest Money Deposit prior to the commencement of the sale and must also sign a copy of the sale notice in token of acceptance by him of all the conditions therein. The Officer conducting the sale may reduce the initial Earnest Money Deposit considering the value of lot put up for sale.

3. The highest bidder for any lot will not be permitted to bid for any other lot unless he deposits again Rs. 100 for each lot before being permitted to bid.

3. The Officer conducting the sale may refuse to accept the Earnest Money Deposit of any intending bidder without assigning any reasons therefor and there shall be no appeal against such action.

4. The departmental measurements and classification must be accepted as correct. Intending purchasers are advised to inspect the timber before the sale with the permission of the Range Officer as any subsequent complaints regarding the quality or quantity will not be considered.

5. The Earnest Money Deposit of other than the highest bidder will be returned at the close of the sale on his furnishing a stamped receipt.

6. No purchaser shall assign his right under the terms of this notice or any part thereof without the previous written permission of the District Forest Officer, which permission may be refused by the latter without assigning any reasons for so doing.

7. Within seven days of receipt of notice confirming his bid, the successful bidder is required to complete the following payments and sign a copy of the sale notice.

(i) The full purchase value of the timber less Earnest Money Deposit paid (*vide* Clause 18 below), (ii) The full sales-tax due on the total value of timber purchased at three pies for every rupee.

8. The value of the timber shall be exclusive of the Sales-Tax :

Provided that if a purchaser fails to pay any sum by the date on which it is due he shall without prejudice to the other rights and remedies of the Governor of Mysore arising on such failure pay interest on such amount at the rate of 6¼ per cent per annum from the date on which it becomes payable. *In calculating interest any period of 15 days and below will be treated as half a month and any period in excess of it but below one month will be treated as one month.*

9. Purchasers shall remove the timber purchased within one month from the date of receipt of notice confirming his bid. Any timber remaining unremoved after the period will revert to and become the absolute property of the Governor of Mysore. The Security Deposit of the purchaser concerned shall also be liable to confiscation, and he shall not be eligible to any compensation on this account. In case, the removal from sale depots is not effected within the permitted *voicah*, a ground-rent at the rate of six pies per c.ft. per month or portion thereof will be payable on unremoved stock up to a further period of 2 months after which all unremoved stock will be liable to be forfeited to Government.

10. Purchasers shall remove the timber at their cost from the depot.

11. The timber purchased shall from time to time be delivered to the purchaser at the timber depot according to the amount paid. In cases where a purchaser has bought more than 1 lot of a total sale value exceeding Rs. 5,000 purchaser will be permitted on payment of ½ sale amount for all the lots—purchased to remove timber of value equivalent to 1/3 of the total sale amount *in whole* lots only. If the total sale amount is less than Rs. 5,000 removal will be permitted on payment of the full sale amount.

12. All timber purchased must be stamped with the Range Officer's hammer mark before removal.

13. Purchasers shall be responsible for the acts of themselves or of their agents and of all persons employed by themselves or by their agents to take delivery of or to remove the timber purchased. No person shall be considered as a duly accredited agent of a purchaser unless he is approved of by the District Forest Officer and is provided by the purchaser concerned with a Power-of-Attorney executed in his favour in the prescribed form and until a copy of such Power-of-Attorney is deposited in the District Forest Office. The form of Power-of-Attorney can be obtained on application from this office.

14. From the date of receipt of Notice confirming the sale, the risk of any loss or damage to or deterioration of timber purchased arising from whatsoever cause shall be borne by the purchaser who shall make his own arrangements for protection of the timber. The Department will, however, have lien on such timber until payment therefore is completed.

15. The Department cannot guarantee transport for timber by rail, road, or sea.

16. In the event of any breach by a purchaser of the conditions herein contained the District Forest Officer, South Kanara, may on behalf of the Governor of Mysore and without prejudice to any other remedy cancel the sale in writing and confiscate all moneys paid and the timber sold to the purchaser but remaining unremoved on the date or cancellation shall revert to and become the absolute property of the Governor of Mysore. In such event the purchaser shall have no claim to the timber so reverted nor shall he claim any refund or abatement of the amount paid by him. Further, should the District Forest Officer re-sell the timber the purchaser shall be liable to make good to the Governor of Mysore any loss which may be sustained in the resale, but shall not be entitled to any profit which may accrue thereby. The District Forest Officer shall be at liberty to decide the method of resale to be adopted. In the case of the resale, the defaulter will not under any circumstances be allowed to bid or partake in it.

17. Any amount payable by a purchaser shall be recoverable as arrears of Land Revenue under the Revenue Recovery Act as provided in Section 66 of the Madras Forest Act V of 1882 as amended by Act I of 1934.

18 The earnest money deposit retained as Security Deposit will be adjusted towards the purchase value of timber provided there has not been any breach by the purchaser or by his agent or by persons employed by either of them of any of those conditions.

19. Any further particulars can be obtained from the District Forest Officer, South Kanara, Mangalore-1, or from Range Officer, Karkal, South Kanara District.

The earnest money will be refunded after the disposal of the tenders to all unsuccessful tenderer/s and in the case of successful tenderer/s, the deposit is liable to be forfeited if he/they fails/fail to take up the contract.

3 The rate must be quoted uniformly for carting per unit of minimum Railway weight, *viz*., 5 seers (in the case of Railway consignments) or 10 lbs. (in the other cases) irrespective of whether they are cases, bundles, bales, bags, oil crates, barrels, etc., to be conveyed from the Government Central Press premises, Bangalore/Government Branch Press premises, Mysore to Bangalore City/Mysore City Railway Station or from the Government Press, Bangalore/Government Branch Press, Mysore to the General Post Office or for any similar distance within the limits of the Bangalore City/Mysore City Municipal Boundary and *vice versa*.

NOTE.—Rate quoted should not be in fractions of a pie. Only one rate per unit of either five Railway seers or 10 lbs. must be quoted.

4 Tenders will be opened by the Director of Printing, Stationery and Publications, Bangalore or by an Officer authorised by him and by the Senior Assistant Director, Government Branch Press, Mysore at 3 P.M. on 7th January 1957 in the presence of such of the tenderers as may choose to be present at that time.

5 The successful tenderer/s will be required to execute an agreement on a stamped paper of value of Rupee one and annas eight (Re. 1-8-0) and to furnish a security deposit of Rs. 250 binding himself/themselves to the above and any other conditions stipulated and to undertake the carting work immediately thereafter.

6 Payment will be made to the successful tenderer for transport services on presentation of monthly bills duly verified and scrutinised by the Director of Printing, Stationery and Publications, Bangalore.

7 The successful tenderer/s should call daily and receive the Railway receipts, if any, at the Government Press and allied Offices, Bangalore/Government Branch Press, Mysore and clear the consignments at the Railway Stations after verifying their weights and conditions of the packing and deliver them at the Government Central Press, Bangalore/Government Branch Press, Mysore. Similarly, he/they should call daily and convey the bundles, cases, etc., if any, from the Government Central Press and Allied Offices, Bangalore/Government Branch Press, Mysore to the Railway Station, arrange to book them at the City Railway Station to the respective addresses the same day and deliver the Railway Receipts to the Government Press, Bangalore/Government Branch Press, Mysore, on the same day for despatch to the consignees in time.

8 The successful tenderer/s will be bound to bear any demmurage charge that may accrue owing to default on his/their part, in clearing the consignments in time or delay caused in delivering the Railway Receipts to the Offices concerned in time for despatch to the consignees the same day. The above conditions will apply *mutatis mutandis* to the transport of cases, bundles, bales, etc., from and to any place of similar distance within the Municipal Limits of Bangalore City/Mysore City.

9 The successful tenderer/s will be bound to make good to the Government any loss which may accrue from his/their failure to cart in time or by Government having to cart the articles by other means at higher rates than those contracted for. In case of continued unsatisfactory work, he/they will be liable for payment of penalty of Rs. 10 or deduction of 10 per cent of the transport charges of articles concerned, at the discretion of the Director.

10 The Director of Printing, Stationery and Publications, Bangalore will reserve to himself the right of rejecting any tender without assigning any reason therefor.

Any other information required may be obtained from the Government Press and Allied Offices, Bangalore and the Government Branch Press, Mysore, as the case may be, on working days during working hours.

11 The tenders of contractors who have defaulted previously or otherwise caused inconvenience to Government work are liable to be ignored.

12 The successful tenderer should submit only one consolidated bill at the end of the month separately in respect of (1) Railway Consignments and (2) other consignments relating to that month. The amount should be worked out for each of these separately by dividing the total actual weight of all consignments by 5 seers in respect of Railway consignments and by 10 lbs. in respect of others treating any fraction of 5 seers or 10 lbs. left over, as one unit and applying the accepted rate. If necessary, a specimen bill form will be supplied to the successful tenderer for guidance.

## OFFICE OF THE SUPERINTENDENT, GOVERNMENT GARDENS IN MYSORE, LALBAGH, BANGALORE-2.

Notification dated 17th December 1956.

The public are hereby informed that the right of harvesting and disposal of Sapodilla crops at Fruit Research Station, Hessarghatta, will be leased by public auction from the date of acceptance till 31st December 1957 on 16th January 1957 at 4 P.M. by the Superintendent, Fruit Research Station, Hessarghatta, at his office.

2 The intending bidders should deposit a sum of one hundred rupees only in cash before he is permitted to bid. The deposits of unsuccessful bidders will be refunded after the auction. The right of harvest will be knocked down to the highest bidder who shall pay 25 per cent of the bid excluding the deposit which will be refunded after the expiry of the lease, immediately after its acceptance by the Superintendent, Government Gardens, Lalbagh, Bangalore, and the balance amount within a week. In default thereof the right of harvest will be disposed off in favour of the next best offer and the deposit will be forfeited. The lessee will be permitted to harvest the crop as and when ready only after the total amount is fully paid and a bond executed by the lessee accepting the terms and conditions detailed in the notification.

3 The lessee should be responsible for the proper guarding of the fruit crop immediately his offer is accepted and no complaints in case of theft or whatsoever will be entertained and no compensation or whatsoever will be paid thereof. The lessee is further required to give intimation well in advance to the Superintendent, Fruit Research Station, Hessarghatta, or to any immediate officer on his behalf prior to harvesting of fruits daily. Further the fruits harvested from each tree individually should be kept near it and removed after details of harvest are recorded. Under no circumstances fruits should be removed until all required details are recorded. The crop after the harvest should be brought to the office where permit to remove the fruits from the station premises would be given by the Superintendent, Fruit Research Station, or any officer on his behalf. Under no circumstances the crop shall be removed to residential quarters of the staff in the colony. The lessee should give definite instructions in this behalf to his watchman or to any person deputed on his behalf.

4 Any crop found being removed without the authorization of the Superintendent will be confiscated and disposed off the realisations thereof being credited to Government.

5 Fruits which are fully mature only should be harvested. Diseased ones and fruits infested with borers, etc., must be allowed to be harvested and destroyed.

6 The lessee is required to spare small quantities of fruits at Government rate whenever requested by the Superintendent, Fruit Research Station, Hessarghatta, or his staff in his absence.

7 The lessee should not further claim any compensation for the crop, if any of the diseased branches or trees which may be cut down.

8 The lessee has to make his own arrangements to irrigate the plants by his servants or watchmen.

9 Further the lessee should compensate for any damage done to the trees or to any Govt. property and any damages made to the trees of the orchard during the period of his lease either by himself or by his authorised agents.

10 None except the *bona fide* servants of the lessee to whom permits will be issued will be allowed to remain in the orchard to watch the crop, etc. Arrogance or impertinence on the part of the watchmen or agents of the lessee will be suitably dealt with and such person will be removed from the garden premises and will not be permitted to enter the garden again.

11 Inspection of the crop is permitted on any working day between 7-30 A.M. to 12 NOON and 2 P.M. to 5 P.M.

12 The Superintendent, Government Gardens in Mysore, Lalbagh, Bangalore, whose decision is final in all respects is competent not to accept offers in the interest of Government work and Revenues of the Station without assigning any reason whatsoever.

This enquiry will be closed on the 31st December 1956.

SCHEDULE.

F.O.R. Tumkur.

Present System of treatment :—At present 3.6 lakhs gallons per day, is being treated by passing raw water mixed with required dose of alum successively through fill and draw type settling tanks and slow sand filters.

Future Proposals :—(1) The water to be treated is proposed to be increased to 6 lakhs gallons per day.

(2) Two fill and draw type settling tanks are proposed, to be converted to continuous flow settling tanks and increase their capacities from the present 2 lakhs gallons each to 3.6 lakhs gallons each.

(3) The raw water mixed with alum will be passed successively through :—(a) a baffle duct of length and of cross section 25' breadth x 20" height.

(b) A flash mixer of about 1½ minutes stay.

(c) A flocculator of about 40 minutes stay and on to the proposed continuous settling tank of 3.6 lakhs gallons capacity referred to under item (2)

The salient levels are as follows :—

| | |
|---|---|
| Floor level of baffle duct at beginning | 102·26 |
| Do end | 99·79 |
| F.T.L. of continuous flow settling tank | 98·85 |
| R.L. of ground where flash mixer and Flocculator are to be erected | 98·00 |

(4) For coagulation, Sulphate of alumina containing 18 per cent of Alumina shall be added in requisite doses.

(5) Capacity of treatment plant 5 mgd.

(6) Turbidity of raw water varies from 500 PPM to 3,500 PPM. The tenderer shall quote for the following equipment :—

(1) Flash Mixer :—The flash mixing device shall consist of a high speed mixer with a displacement capacity greater than the maximum flow of 6 mgd., so as to get quick and thorough mix. (Rates for mechanical equipment of civil portions of the work may be quoted separately).

(2) Flocculator :—The flash mixed water shall be led into the flocculator with least bit of travel. A gently efficient agitation by mechanical means shall be provided for to build up a uniform and tenacious floc with settling characteristics. The flow of water shall be so designed as to bring the tiny particles of the incoming water in contact with the heavier floc already formed. Thus acting as nuclear. The flocculation time shall be about 40 minutes. The inlet and outlet arrangements shall be hydraulically designed such that the full volume is utilised and, the flocculated water shall be separately and gently led on to the existing settling tanks (1) and (2)

(Rates for mechanical equipment and Civil portions of work may be quoted separately).

Power Available :—A.C. 60 Cycles, 400-440 volts, 3 phase.

Tender Drawings :—Each tender shall be accompanied by detailed specifications, designs and drawing of both the items.

Time of Delivery :—The entire equipment shall be delivered within a period of 4 months from the date of placing orders.

SCHEDULE.

I. SPECIFICATION FOR BODY BUILDING.—

Lorry Chassis and Heavy Trucks for building up the bodies for the undermentioned type of vehicles. These trucks are expected to be put into heavy duty work going over all parts of the State and as such the body building should be efficient and strong enough to stand the strain of such hard work.

1. 3 Nos. 5 Ton Diesel Chassis with 17'-0" WB. Dodge/Fargo Make.
2. 3 Nos 5 ton Petrol driven chassis with 165" WB. Studebaker make.

The outer dimensions of the platform of the lorries against Item No. 1 above should be 14' length, 7½' width and 2½' height approximately and that against Item 2, 11' length and 7½' width and 2½' height approximately. It should have collapsible sides.

Quotations should be for all steel cab with the body made of well seasoned teakwood or alternatively cab and body made of well seasoned teakwood with necessary steel reinforcements. The rear and sides of the body portion of each chassis should be fitted with openable doors provided with proper hinges, so that the doors may easily be opened or closed dependent upon the requirements. As the engines are rated, the body building should be in the capacity for which the engines are rated, the body building should be of the sturdy type and must give as long a service as possible.

The firms should be prepared to give a guarantee that the bodies built by them will work satisfactorily under the heavy duty conditions for a period of TWELVE MONTHS and should the body thus built give way within this period of guarantee, such defects should be replaced free of cost.

The Stores Purchase Committee reserves the right to split the tender to any firm in any quantity or reject them wholesale without assigning proper reasons.

The tenderer should submit a blue print along with the quotation.

Prices should be quoted F.O.R Bangalore.

Time of delivery—Delivery time should be indicated in the quotation.

N.B.—1. An Earnest Money of Rs. 100 should be deposited in the Reserve Bank of India, Bangalore, to the Personal Deposit Account of the Secretary, Stores Purchase Committee, and the receipt noted in the tender.

## Conditions applicable to all the above enquiries

1. The Stores Purchase Committee do not bind themselves to accept the lowest or any tender but reserve to themselves the right to select from any tender such articles as they may consider expedient to accept.

2. The tender must be accompanied by full specifications and details of technical data for the equipment offered, together with the description, drawings and literature.

3. Should an order be placed as a result of the tender, it should be distinctly understood that the materials should strictly conform to our specifications. In the event of materials not conforming thereto being supplied, the contractors will be required to replace the materials by the correct ones without extra charge.

4. The materials should be supplied within the time stipulated in the tender.

5. In case of dispute as regards the satisfactory performance or otherwise of the contract, the decision of the Stores Purchase Committee shall be final.

6. If any tenderer withdraws from his tender before the period of three months fixed for the acceptance or if the tenderer whose tender is accepted fails to execute the agreement and furnish the deposit of 5 per cent of the value of the contract, the earnest money deposited by him will be forfeited to Government. The earnest money of unsuccessful tenderers will be returned.

7. The prices quoted will hold good for a period of three months from the last day fixed for receiving tenders and in default of doing so, to pay the sum equal to 1 per cent on the aggregate amount of this tender as and by way of liquidated damages.

8. Failure to make supply, whether of a portion of the material or the entire quantity as per the terms of indent, or non-performance or non-supply in time or regularly, or supplying material, which does not conform to the specifications, quality prescribed, or the sample approved or which is found defective in any other way or for breach of any of the conditions stipulated, will entail enforcement of one or more of the following :—

(1) Cancellation of the indent or order in part or in whole.

(2) Imposition of penalty at the rate specified in the indent or if no such rate is specified, at a sum not exceeding 3 per cent of the value of the order, at the discretion of the President, Stores Purchase Committee.

(3) Forfeiture or adjustment of Earnest Money or/and Security Deposit in whole or to the extent necessary or considered fit by the President, Stores Purchase Committee.

(4) Recovery of extra cost, if any, incurred by the Departments in securing the material from other sources, by adjustment from money due to the defaulter or otherwise.

9. The articles and the quantities mentioned in the enquiry are only provisional and the Stores Purchase Committee reserve the right to place orders either for all the articles and for the quantity mentioned in the enquiry or for such of the articles and in such quantities as may be actually required at the time of placing the order and subsequently before the close of three months from the date of expiry of the enquiry and to close the enquiry thereafter. It is open to the S.P.C. to institute fresh enquiry even earlier, if it considers fit and desirable for satisfactory reasons.

10. Whatever may be the conditions of sale specified or indicated in the tender quotations, it is only the conditions indicated in the schedule of order and in the tender notification that will bind the Stores Purchase Committee or the Indenting Department and that if any successful tenderer wishes that some other conditions quoted by him should also be accepted, he should specifically raise the issue as soon as the schedule or orders reach him and get the same accepted or clarified.

11. The successful tenderer shall be prepared to deposit Security amount not exceeding 5 per cent of the value of the order and to execute an agreement on a Mysore Government Stamp Paper of Re. 1-8-0 for the proper performance of the contract.

12. Quotations with firm prices will be preferred.

13. Sales-tax, if any, should be quoted separately.

14. No enhancement of prices will be allowed after the acceptance of the tender.

N.B.—Quotations will be opened at 2 P.M. on the next working day after the closing date of the enquiry.
